Spice Liqueur

1 cup water
2 cups sugar
6 cardamom pods, seeds removed
3 tsp aniseed
1 cinnamon stick, broken into pieces
1 whole clove
4 cups vodka

Combine water and sugar in a small saucepan. Bring to a boil and simmer for 5 minutes. Allow to cool completely.

Crush the aniseed lightly in a mortar. Put aniseed, cardamom seeds, cinnamon and clove in a glass jar. Pour vodka over the spices. Shake well and allow to steep for 1 week.

Strain the vodka several times through a dampened coffee filter. When clear, add sugar syrup; pour into a sterilized glass bottle, cover with a nonmetallic lid, and allow to mellow for 4 weeks.

A very nice spice flavor that is good as is, drizzled over ice cream or pound cake. Put a spoonful into a steaming cup of tea!
